

Test PDF Document

This is a test PDF document created for deep testing of the Contextify library.

Section 1: Introduction

Contextify processes documents into AI-ready structured text chunks. This test validates that PDF extraction works correctly.

Section 2: Table Data

Name	Age	City	Score
Alice	30	Seoul	95.5
Bob	25	Tokyo	88.3
Charlie	35	New York	92.1

Section 3: Conclusion

End of test document. All sections should be properly extracted.
